

TRUSTED LOCAL INFORMATION

Built on trust. Grounded in what's real.

In an age of AI-generated misinformation, stale listings, and automated answers, **customers need to know that the information they find about your business is accurate, current, and approved by the people responsible for it.** KTS helps you publish an accountable source for your location, hours, services, directions, access details, and contact information.

THE KTS TRUST PATH

01	VERIFY Verified Local Presence Confirm what's true about your business.	STARTING AT \$500
02	PUBLISH Trusted Information Hub Give people one clear, accountable source.	STARTING AT \$1,500
03	GUIDE Local Access Map Help people get there and use the place.	STARTING AT \$2,500
	KEEP CURRENT · ONGOING Ongoing Local Information Care Periodic review so your information stays right as it changes.	RETAINER Priced to scope

A CLEAR, ACCOUNTABLE PROCESS

01 TELL US What are customers getting wrong, missing, or asking about?	02 VERIFY KTS organizes the information and confirms what you approve for public use.
03 APPROVE Receive written scope, price, timeline, terms, and required deposit.	04 LAUNCH Review completed public information and receive handoff materials.

SIMPLE PAYMENT TERMS

For most projects over \$1,000, KTS requires a 50% deposit before work begins and the remaining 50% before launch or handoff. Small projects may require full payment in advance.

Any work outside the approved written scope requires approval before additional charges apply.
